

# Bioscience Growth Accelerator

Launch your  
bioscience  
company in  
Phoenix

The Bioscience Growth Accelerator (BGA) offers companies an incredible opportunity to **join the vibrant Phoenix Bioscience Core (PBC)** in Downtown Phoenix, Arizona, **partner with Wexford Science + Technology**, and **co-locate with Arizona State University**.

Phoenix, the fifth largest city in the U.S. and with some of the **highest concentrations of research scientists and complementary professionals**, boasts institutes of excellence in **precision medicine, genomics, molecular medicine, cancer research, healthcare analytics and others**.

**WEXFORD**  
SCIENCE+TECHNOLOGY
